An education in Politics and International Relations

With market-leading textbooks written by renowned experts in fields spanning from international relations to European politics to strategy and security studies, you can be assured that Oxford textbooks are of the highest quality. Now Politics Trove takes that rich content and makes it available online to enhance your students' learning experience.

- Politics Trove empowers students to delve deeper into content, examining the detail and unravelling the connections that make politics a fascinating subject.
- 31 cross-searchable titles in the full collection.
- Available as a complete collection or as separate EU and IR subject collections.
- Expose your students to a wealth of author voices and perspectives.
